OUR WEEKLY LETTER FROM NEW YORK.

(Continued from Page 3).

May as the leaders originally figured.

The place where the Jewish Congress will meet has not been decided upon as yet. Two cities are under consideration, Philadelphia and Boston. A Philadelphia committee has reported that it will be difficult to find hotels for all the delegates. But it is quite possible that this condition should change before the end of May. From Boston no reply has been received as yet.

Next Saturday evening an important conference of representatives of national Jewish societies and Jewish labor organizations which are interested in the work of the Jewish Congress will be held in New York. This conference will take place in the Union Square Hotel, to consider the principal problems which must be laid before the Jewish Congress.

Among the items on the Order of the Day or whether it is desirable that the Jewish Congress remain as a permanent institution; the attitude of the Congress to relief work and to the World Relief Conference which is being called by the Jewish Delegation in Paris; the work for the future.

This conference is of great importance because it will clarify in the minds of the participants themselves the problems which must be taken up by the Congress. It would be gratifying if the conference of next Saturday would not be the only one of its sort and if the various problems were also discussed at public meetings and open forums, where adherents and oppon-

ents of the Jewish Congress may express their opinions. Thus the Jewish public opinion of the Congress and its proposed work may become more consciously organized.

Sam Kasten, the beloved Jewish comedian is this week celebrating his fiftieth birthday. Many of those who have seen Mr. Kasten upon the stage in his ever youthful gayness and light spirit will find it difficult to believe that he has already reached the half-century. His colleagues and friends, however, confirm the fact and that they have already organized a committee to celebrate this day, the 21st of April, in his honor at a large banquet. The chairman of this committee is Mr. Joseph Barondess.

A JEWISH MUSICAL INSTITUTE IN JERUSALEM.

To carry on a movement which had its origin during the St. Mihiel drive, a concert will be given by the "Zimro" Sextet, Saturday night, April 24 in Carnegie Hall, under the auspices of the Jewish Veterans of the World War. Proceeds of the concert will go toward the establishment of a Jewish Musical Institute in Jerusalem, as a memorial to all Jewish soldiers killed during the war.

While observing the Jewish New Year during the St. Mihiel drive, a group of Jewish soldiers took up a collection for a memorial for those of their comrades who had already fallen in the drive. Over 5,000 francs were collected then and during the subsequent battles of the Argonne. Every franc was collected while under fire, according to Samuel Cohen of the 82d Division, president of the organization.

The musicians of the "Zimro" ensemble, former members of the Petrograd Imperial Opera, have donated their services for the concert.

They are now touring this country and all the money they receive above their expenses, is set aside for the development of music in Palestine. Their program will include a series of Jewish and Palestinian folk songs.

Many of the original group who first conceived the idea of a memorial in Palestine, were killed in action, according to Cohen. Sol Odes, Brocton, Mass., a member of the memorial committee, was with Sgt. Alvin York in the Argonne.

THE FREE SYNAGOG OF NEW YORK.

At the meeting, the progress of the work in every direction was dealt with and special mention made of the series of meetings being held in Newark with a view to founding a Newark Free Synagogue. More than one hundred families in Newark and surrounding communities are pledged to the establishment of the Synagogue there.

Sunday morning, April 25th, Dr. Wise is to be the preacher at Yale University and his place will be taken by Rabbi Abba Hillel Silver of Cleve-

land, one of the most gifted and brilliant men in the Jewish ministry, whose theme will be "Israel and American Judaism." The English poet, Siegfried Sassoon, author of "Counter-Attack," "The Huntsman," and "The Picture Show," will read from his works in the course of the service.

TEN THOUSAND EUROPEAN JEWS JOIN MIZRACHI.

A cable dispatch has been received from Palestine, which states that the "Yishub Eretz Israel," an organization of Orthodox Jews for Palestine colonization, has, as a body, joined the Mizrachi. The organization consists of over ten thousand Austrian and Galician Jews, and is under the leadership of prominent rabbis. In adopting the program of the Mizrachi, the "Yishub Eretz Israel" pledged itself to co-operate actively and zealously in the work of the Mizrachi Organization for the restoration of the Jewish Homeland in Palestine.
